Dear Steven Stonehouse:

Congratulations! On behalf of the Kansas Department of Corrections (KDOC), I am pleased to announce that you have been awarded \$623,692.02 for the services outlined in your Juvenile Detention Center Behavioral Health Services Grant application. Payments will be made on an annual basis through June 30, 2025.

I look forward to hearing about how HB 2021, passed in the Kansas Legislature in 2023, afforded this funding opportunity to act as a collaborative effort between KDOC and Juvenile Detention Centers. We believe that this effort, with specific focus on the development or enhancement of behavioral health services available to youth detained in a Juvenile Detention Center (JDC), will make a difference.

Any questions or concerns regarding the operation or administration of grant funds or services should be directed to Tara Newell at tara.newell@ks.gov or by phone at 785-221-3611.

Sincerely,

Megan Milner
