Any terms that conflict or could be interpreted to conflict with this attachment are nullified.
2. **Kansas Law and Venue:** This contract shall be subject to, governed by, and construed according to the laws of the State of Kansas, and jurisdiction and venue of any suit in connection with this contract shall reside only in courts located in the State of Kansas.
3. **Termination Due To Lack Of Funding Appropriation:** If, in the judgment of the Director of Accounts and Reports, Department of Administration, sufficient funds are not appropriated to continue the function performed in this agreement and for the payment of the charges hereunder, State may terminate this agreement at the end of its current fiscal year. State agrees to give written notice of termination to contractor at least thirty (30) days prior to the end of its current fiscal year and shall give such notice for a greater period prior to the end of such fiscal year as may be provided in this contract, except that such notice shall not be required prior to ninety (90) days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided State under the contract. State will pay to the contractor all regular contractual payments incurred through the end of such fiscal year, plus contractual charges incidental to the return of any such equipment. Upon termination of the agreement by State, title to any such equipment shall revert to contractor at the end of the State's current fiscal year. The termination of the contract pursuant to this paragraph shall not cause any penalty to be charged to the agency or the contractor.
4. **Disclaimer Of Liability:** No provision of this contract will be given effect that attempts to require the State of Kansas or its agencies to defend, hold harmless, or indemnify any contractor or third party for any acts or omissions. The liability of the State of Kansas is defined under the Kansas Tort Claims Act (K.S.A. 75-6101, *et seq.*).

APPENDIX B

**SCOPE OF WORK: IDD CRISIS STABILIZATION
GRANT AGREEMENT**

I. Introduction and Summary:

The Kansas Department for Aging and Disability Services will support projects that improve community-based crisis stabilization services for individuals with Intellectual and Developmental Disabilities (IDD) and co-occurring Complex Behavioral Health Needs.

Research suggests approximately 40% of people with IDD, experience co-occurring mental health conditions, resulting in the potential for complex behavioral health challenges. Few communities have multi-disciplinary intervention plans or service providers with the knowledge and/or training to provide effective intervention. People with IDD are more likely to experience negative outcomes when experiencing a behavioral health crisis, including inappropriate emergency room visits, hospitalization, contact with law enforcement and incarceration.

Research-based service models and cross-system training will improve services for Kansans with IDD and co-occurring behavioral health needs and increase their ability to live safely and in the integrated community of their choice.

5. Reduction in requests for crisis exceptions and admissions to nursing facilities for mental health.

IV. Services to be Provided:

1. Research-based training and certification for key crisis team staff.
2. Develop and provide research-based, cross-system training for the IDD provider network.
3. Multi-disciplinary analysis of community crisis intervention.
4. Planning and development of community-based crisis response.

V. Deliverables and Reporting:

The reports will be due no later than the 20th day following the month of the service delivery.
