**COMPANY NAME**

Adams Electric & Plumbing EC

ROK Electric

Myers Electrical Inc

**QUALIFIED PERSON**

Eric Bahns

Rodney Schlick

William Myers

**Unfinished Business**

The Board reviewed the application and online electrical education program submitted by AYPO (at your pace online) for the 2017 NEC. The board members agreed that the products security features were identical to what had been submitted previously in 2015 and agreed that the Kansas Electrical Education Review Committee could review for approval.

**New Business**

The Board reviewed Article 1, Section 5 of the UBTC – Board of Appeals – General Rules and Regulations, and Article 4, Section A of the UBTC – General Provisions, Administration and Enforcement. Several questions were asked by the Board Members regarding the variance process and if the Board would serve as the first avenue for variance requests. City Attorney Van Zant explained to the Board Members that there could be up to a three step process. First, a variance request could be presented to MABCD staff for review during their weekly variance committee process. Second, if all variance committee members could not agree on the variance approval, the variance would be forwarded as an agenda item at the next regular Board of Electrical Appeals Meeting. Third, if a majority vote denied the variance, the applicant could take the variance request to District Court.

The Board also discussed future consideration to changing the name of the Board to include Elevators, as an example; Board of Electrical and Elevator Appeals. County Counselor Waggoner suggested that the board consider including any changes to the UBTC as part of the next adoption process. The Board Members agreed to consider this change as part of the next code review and adoption process.

With no other business to conduct. Board Member Naylor made a motion to adjourn, Board Member Lenz seconded the motion, and the motion was approved (6 - 0).

The meeting adjourned at 3:53 p.m.

Chris A. Nordick

Chief Electrical & Elevator Inspector

Secretary, Board of Electrical Appeals.
