**MABCD DIRECTIVE #13-G8**  
**(GENERAL DIRECTIVE)**

**ISSUE: Re-inspection Fees**

**EFFECTIVE DATE: Immediately**

Re-inspection fees of \$50.00 may be assessed, when justified, under the following conditions:

- Bona fide lack of access for inspector
- Builder or sub not following documented directions to fix an existing code problem causing another revisit
- No permit card on site or posted
- Lack of construction documents on site
- Other categories

All re-inspection fees should be vetted through a supervisor by the inspector wishing to assess the fee. In the event that a homeowner is the cause of the re-inspection, discretion should be used in the decision to assess a fee.
