## Wichita-Sedgwick County Metropolitan Area Building and Construction Department

### **MABCD DIRECTIVE #14-E3 (ELEVATOR DIRECTIVE)**

**ISSUE: Modernization of Elevators**

**EFFECTIVE DATE: January 1, 2015**

When an elevator is modernized and ready for acceptance for use by the public, the elevator shall meet the requirements of the currently adopted ASME A17.1 Safety Code for Elevators and Escalators and the Wichita/Sedgwick County Unified Building and Trade Code. Partial acceptance of the elevator may be permitted for public use under the following conditions:

- E3.1 All life safety items are installed and operational.
- E3.2 All safety items that were in place prior to the modernization have to be operational on the modernized elevator.
- E3.3 All ADA specific requirements are met.
- E3.4 Final acceptance of the elevator shall be performed within 60 days of the partial acceptance unless prior approval is obtained from the Director, Assistant Director or Chief Elevator Inspector of the Metropolitan Area Building and Construction Department.
